HITT CONTRACTING INC. PROMOTES 13 EMPLOYEES

FALLS CHURCH, VIRGINIA, JANUARY 13, 2012 – HITT Contracting Inc. has promoted a total of 13 employees to the positions of Senior Project Manager and Project Manager.

Senior Project Manager

Jordan McLean, LEED® AP

Jordan McLean has been with HITT for nine of his 11 years in the construction industry, and has completed more than 1.3 million s.f. of commercial office space in that time. As a Senior Project Manager, Mr. McLean will serve as a Team Leader, overseeing multiple Project Managers and Assistant Project Managers on various projects for HITT's Corporate Interiors market sector. Mr. McLean will also participate in business development activities to foster client relationships and win new work. Mr. McLean is a graduate of the University of British Columbia in Vancouver, Canada, is a LEED Accredited Professional, and is a member of Associated Builders and Contractors, Inc. (ABC), International Facility Management Association (IFMA), National Association of Industrial and Office Properties (NAIOP), and Washington Building Congress (WBC).

Scott Rugen, LEED® AP

Beginning his career in the construction industry as a tradesman more than 15 years ago, Scott Rugen has spent the last three years as a valued member of HITT's Technology market sector. Mr. Rugen has completed many successful projects for high-profile clients including Sprint, Time Warner Cable, Oracle, Navy Federal Credit Union, CNN, the US Army Corps of Engineers, General Dynamics, and the George Washington University. Most notably, the Lab Spaces project for Time Warner Cable in Herndon, Virginia was awarded LEED Gold certification; it was one of the first data centers in Northern Virginia to be certified LEED Gold. In his new role as Senior Project Manager, Mr. Rugen will train and oversee a team of Project Managers and

About HITT Contracting Inc.: Founded in 1937, HITT Contracting has grown to be ranked among today's 100 Largest General Contractors nationwide, with offices in Washington, DC, Atlanta, Charleston, Denver, South Florida, and Baltimore. Our client-focused teams fulfill any program need from a doorknob change to base building shells and complete tenant/owner fit-outs. Company-wide we maintain more than 700 employees, including a skilled in-house field force available 24/7 to support our clients long after initial occupancy. The HITT Way for quality and excellence defines the core of our mission and how we are structured. Teams are organized into expert market sectors, specializing in corporate base building and interiors, government, healthcare, hospitality, institutional, law firms, major projects, paint and service, and technology. Complementing these market sector teams are the preconstruction, sustainable construction, and subcontractor relations divisions. For more information, please visit <http://www.hitt-gc.com/>.
